## RATES OF POSTAGE, AND CONDITIONS OF TRANSMISSION.

### INLAND LETTERS.

The rate of postage on all inland letters is regulated by weight, irrespective of distance; and is as follows:—

#### If Paid in Advance.

|                                                                |     |
|----------------------------------------------------------------|-----|
| On a letter not exceeding half an ounce, . . .                 | 1d. |
| „ above half an ounce, but not exceeding one ounce, . . .      | 2d. |
| „ above one ounce, but not exceeding one and a half ounces, .. | 3d. |

And so on.

#### Unpaid Letters.

As a general rule, the postage, if not paid in advance, is double the foregoing; and if the payment in advance be insufficient, double the deficiency must be charged. An inland letter, for example, weighing more than half an ounce, and not exceeding one ounce, if bearing a penny stamp only, is, on delivery, charged twopence. The unpaid

additional postage on re-directed letters, however, is not doubled, being the same as if such postage were prepaid.

### COLONIAL AND FOREIGN LETTERS.

The rates of postage on letters to foreign countries and the colonies are entered in the Table of Foreign and Colonial Postage.

### ADDRESSES TO THE QUEEN, AND PETITIONS TO PARLIAMENT.

Petitions and addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or in covers open at the sides. No letter or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, is charged as an unpaid letter.

## NEWSPAPERS.

*Inland.*

By the Post Office Act, 1870, the use of the Inland Revenue impressed stamp denoting the stamp duty, under which newspapers and other periodicals had been previously transmissible by post within the United Kingdom, was abolished, and a postage of one halfpenny was fixed for each transmission of any newspaper coming within the definition laid down in the Act.

Inland newspapers are subject to the following regulations:—

1. To have the privilege of passing as a newspaper, the publication must first have been accepted as a newspaper by the Postmaster-General, and have been placed on a Register at the General Post Office; from which it is liable to be removed, either through the non-renewal of the registration year by year, or in consequence of any change which may deprive it of the characteristics of a newspaper.

Registration for inland circulation includes registration for transmission abroad.

2. It must be printed and published in the United Kingdom, must be published in numbers at intervals of not more than seven days, and must be printed on a sheet or sheets unstitched.
3. The full title and date of publication must be printed at the top of the first page, and the whole or part of the title and the date of publication at the top of every subsequent page; and this regulation applies to 'Tables of Contents' and 'Indices.'
4. A supplement must be unstitched, must in every case be published with the newspaper, and must have the title and date of publication of the newspaper printed at the top of every page; or, if it consist of engravings, prints, or lithographs, at the top of every sheet or side.
5. For each newspaper, whether posted singly or in a packet, the postage, when prepaid, is one halfpenny; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight—viz. one halfpenny for every 2 oz. or fraction of 2 oz.
6. A newspaper posted unpaid, and a packet of newspapers posted either unpaid or insufficiently paid, will be treated as an unpaid or insufficiently paid book packet of the same weight.
7. The postage must be prepaid either by an adhesive stamp or by the use of a stamped wrapper.
8. No newspaper can be sent through the post a second time for the original postage; for each transmission a fresh postage must be prepaid, except that in the case of re-direction the amount chargeable may be collected on delivery.
9. Every newspaper or packet of newspapers must be posted either without a cover or in a cover open at both ends, and in such a manner as to admit of easy removal for examination. If this rule be infringed, the newspaper or packet will be treated as a letter.
10. Every newspaper must be so folded as to admit of the title being readily inspected.
11. No newspaper, whether posted singly or in a packet, may contain any enclosure except

the supplement or supplements belonging to it. If it contain any other, such enclosure or enclosures will be taken out and charged on delivery as an unpaid letter.

12. There must be no printing on the cover of a newspaper sent at the newspaper rate but the name and address of the person to whom it is sent, the title of the newspaper, the name and address of the publisher or vendor who sends it, and words indicating the date on which the subscription to the newspaper will end. If this rule be infringed, the newspaper will be treated as a book packet.
13. A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.
14. No packet of newspapers must exceed 14 lbs. in weight, nor may it exceed 2 feet in length or 1 foot in width or depth.

*Colonial and Foreign.*

Under the powers given to the Postmaster-General by the Post Office Act, 1870, the regulations relating to the registration of publications for transmission abroad as newspapers have been revised. The definition laid down in the Act, in regard to newspapers which may be registered for transmission through the post in the United Kingdom, is alike applicable to those which may be registered for transmission abroad, excepting that for foreign transmission a newspaper may be published at intervals of thirty-one days, and that it (but not its supplement) may be printed on sheets stitched together.

Newspapers going abroad are also subject to the following regulations:—

1. 'Prices Current' and 'Market Reports,' but not private price-lists or trade catalogues, are admitted to the same privileges as newspapers for foreign transmission.
2. Publications registered for transmission abroad must be posted *within eight days* from the date of publication, including the day of publication.
3. The collected numbers issued during the month of a weekly, fortnightly, tri-monthly, etc., publication will not be allowed to pass as a monthly publication.
4. *The postage must be prepaid with postage labels.* The rates are shown in the table of Colonial and Foreign Postage.
5. Publications not on the Register at the General Post Office cannot be sent abroad at any rates lower than those applicable to book packets.
6. Every newspaper or packet of newspapers must be posted either without a cover or in a cover open at both ends, and in such a manner as to admit of easy removal for examination.
7. Every newspaper must be so folded as to admit of the title being readily inspected.
8. No newspaper, whether posted singly or in a packet, may contain any enclosure except the supplement or supplements belonging to it.
9. There must be no writing or other mark on a newspaper sent abroad but the name and address of the person to whom it is sent; nor anything on the cover but such name and address, the printed title of the publication, the printed name and address of the publisher or vendor who sends it, and words indicating the date on which the subscription to the newspaper will end.

10. No packet of newspapers must exceed 2 feet in length or 1 foot in width or depth.
11. It is forbidden to introduce into Russia, through the post, political newspapers, in covers open at the ends or sides; and the only means by which persons residing in Russia can obtain newspapers from the United Kingdom is by subscribing for them at one of the Russian Post Offices. This prohibition does not, however, extend to political newspapers, or any other publication, addressed to members of the Royal Family of Russia, the Imperial Ministers, or members of the Diplomatic Corps. The admission into Russia even of newspapers not of a political character, is permitted only when they are addressed to the house of some established bookseller, to the higher schools, to the Imperial Public Library, or to the Academy of Sciences in Russia. Printed prices current, however, as well as printed circulars, in covers open at the ends or sides, are allowed to be addressed to any persons residing in Russia.

**PARLIAMENTARY PROCEEDINGS.**

Printed proceedings of the Imperial Parliament, sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the rate of  $\frac{1}{2}$ d. for every two ounces or fraction of that weight.

The words PARLIAMENTARY PROCEEDINGS must be written or printed on the cover of the packet; otherwise it is treated as an ordinary book packet.

Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference only is charged.

Parliamentary proceedings may be sent, under the book post privilege, to all the colonies, and to those foreign states between which and this country there is a book post.

**BOOK POST.**

*Inland.*

A book packet may contain not only books, paper, or other substance in ordinary use for writing or printing, whether plain or written or printed upon (to the exclusion of any written letter or communication of the nature of a letter), photographs, when not on glass or in frames containing glass or any like substance, and anything usually appertaining to such articles in the way of binding and mounting, or necessary for their safe transmission by post, but also *circulars* when these are wholly or in great part printed, engraved, or lithographed.

1. The postage is one halfpenny for every two ounces or fraction of that weight.
2. The postage must be prepaid either by adhesive stamps or by means of a stamped wrapper, or by a combination of the two; except at the General Post Office, Edinburgh, where, from 10 A.M. to 4 P.M. it may be prepaid in money, provided the postage amount to not less than £1 in any one case, and provided the packets are posted in bundles each representing a postage of 5s.
3. A packet posted wholly unpaid will be charged with double the book postage; and if posted partially prepaid, with double the deficiency.
4. Every book packet must be posted either without a cover or in a cover open at both ends, and in such a manner as to admit of the contents being easily withdrawn for examination; otherwise it will be treated as a letter.
5. No book packet may contain anything sealed or otherwise closed against inspection; nor

must there be any letter, nor any communication of the nature of a letter, whether separate or otherwise, unless the whole of such letter or communication be printed. (Entries, however, merely stating who sends the book, etc., or to whom it is given, are not regarded as a letter.) Any such prohibited enclosure will be taken out and forwarded to the address on the packet, charged with postage as an unpaid letter; but the remainder of the packet, if duly prepaid, will be forwarded to its address.

6. There must be no letter, nor any communication of the nature of a letter, written on any part of a book packet or its cover. If this rule be infringed, the entire packet will be treated as a letter.
7. No book packet may exceed 14 lbs. in weight, 2 feet in length, or 1 foot in width or depth.

**PATTERN AND SAMPLE POST.**

*Inland.*

The postage is now one halfpenny for every weight of 2 ounces or fraction thereof; but the Pattern and Sample Post is restricted to *bona fide trade patterns or samples of merchandise*. Goods sent for sale, or in execution of an order (however small the quantity may be), or any articles sent by one private individual to another which are not actually patterns or samples, are not admissible.

1. The postage must be prepaid either by adhesive stamps or by means of a stamped wrapper, or by a combination of both; except at the General Post Office, Edinburgh, where, from 10 A.M. to 4 P.M., the postage may be prepaid in money, provided it amount to not less than £1 in any one case, and provided the packets are posted in bundles, each representing a postage of 5s.
2. A packet posted wholly unpaid will be charged with double the pattern postage; and if posted partially prepaid with double the deficiency.
3. Patterns or samples, when practicable, must be sent in covers open at the ends, and in such a manner as to be easy of examination. But samples of seeds, drugs, and such like articles, which cannot be sent in covers of this kind—but such articles only—may be posted enclosed in boxes or in bags of linen, or other material, fastened in such a manner that they may be readily opened; or in bags entirely closed, provided such closed bags are transparent, so as to enable the officers of the Post Office readily to satisfy themselves as to the nature of the contents. If this rule be infringed, the packet will be treated as a letter.
4. There must be no writing or printing upon any packet except the address of the person for whom it is intended, the address of the sender, a trade mark or number, and the price of the articles; nor may there be any writing or printing or other thing enclosed except such address, mark, number, and price, and a written or printed description of the articles: and these particulars may be on labels attached to the samples. If this rule be infringed, the packet will be treated as a letter.
5. Any prohibited enclosure will be taken out and forwarded to the address on the packet, charged with full postage as an unpaid letter.
6. No packet must exceed 12 oz. in weight, or 2 feet in length by 1 foot in width or depth.

## COLONIAL AND FOREIGN PATTERN AND SAMPLE POST.

*Bonâ fide* patterns and samples can be sent at the rates inserted in the Table of Colonial and Foreign Postage to such colonies and foreign countries as are marked in that Table with the letter 'P.' The conditions in these cases are for the most part the same as in the case of the Inland Pattern and Sample Post, the following being the only important exceptions:—

1. The limit of weight is not the same to all countries. See pages 596 and 597.
2. A packet of patterns or samples sent to Portugal, Madeira, the Azores, Cape de Verds, France, or to Turkey, Syria, or Egypt, by French packet, must not exceed 18 inches in length, width, or depth; a packet to any other place abroad must not exceed 24 inches in length, or 12 inches in breadth or depth.
3. A packet of patterns or samples sent to Germany or Belgium, or to any country *via* Belgium or France and Austria, must not exceed 8 oz. in weight; and the weight of a packet for Portugal, Madeira, the Azores, or Cape de Verds, is limited to 1 lb.
4. Samples of intrinsic value must not be sent to foreign countries except the United States; and in the case of France, samples of eider down, raw or thread silk, woollen or goats' hair thread, vanilla, saffron, carmine, or isinglass, are considered to fall under this rule if they weigh more than 3 oz.
5. Bags entirely closed, even though they be transparent, must not be used for the transmission of seeds to any foreign country except the United States of America, Holland and its possessions, Belgium, Denmark, Greece, Portugal and its possessions, and Switzerland.

## POST CARDS.

Post Cards, which bear a halfpenny impressed stamp, are available for transmission between places in the United Kingdom only.

1. The front (or stamped) side is intended for the address only. There must be nothing else written, printed, or otherwise impressed on it, nor must there be any writing or printing across the stamp. On the reverse side any communication, whether of the nature of a letter or otherwise, may be written or printed; but such communication must not extend to the front side. Nothing whatever may be attached; nor may the card be folded, cut, or otherwise altered. If any of these rules be infringed, the card will be charged 1d. on delivery.
2. No card other than one of those issued by the Government will pass under a halfpenny stamp, if it bear on it a written communication of the nature of a letter.

## GENERAL REGULATION.

It is forbidden to forward by post any indecent or obscene print, painting, photograph, lithograph, engraving, book or card, or any other indecent or obscene article, or any letter, newspaper, publication, packet, or card having thereon any words, marks, or designs of an indecent, obscene, libellous, or grossly offensive character. Anything posted contrary to this prohibition will be stopped and sent up to the Returned Letter Office.

## REGISTRATION OF LETTERS.

By the prepayment of a fee of 4d., any letter,

newspaper, book, or other packet on which the postage has been prepaid in stamps, may be registered to any place in the United Kingdom or the British Colonies. To other foreign countries, the fee chargeable for registering a letter, in addition to the ordinary postage, *both of which must be prepaid, or the letter cannot be registered*, will be found against each country or place in the table of Colonial and Foreign Postage. Letters, newspapers, books, and patterns may be registered to any place in the British Colonies, the United States of America, Switzerland *via* Belgium, Italy, or the German States, also (when sent in closed mails) to the British Post Offices in Egypt and Constantinople; but to other foreign countries only letters, and packets prepaid at the letter rates, can be registered. To some countries, as shown in the table of Colonial and Foreign Postage, there is no arrangement whatever for registration.

Where the prefix 'in' is made use of in the column of fees in the table of Colonial and Foreign Postage, the letter can be registered only to the port of arrival, it being left in those cases to the postal authorities of the country to which that port belongs to continue the registration if they think proper. Where the word 'none' appears, no registration can be effected.

*France and Countries through France.*—The registration fee upon letters addressed to France, or countries through France (exclusive of those sent in the closed mails to India, Hong Kong, Ceylon, Mauritius, Australia, Gibraltar *via* France, Malta, Constantinople, Greece, Portugal, Spain, or Italy, is not a fixed sum, but is in all cases equal to the postage.

The registration of a packet makes its transmission much more secure; and the loss of a registered packet is a very rare occurrence. Nevertheless, by Act of Parliament, the Post Office is not responsible for the safe delivery of registered packets, though any officer who may neglect his duty on this point will be called to strict account. Sent in *unregistered* letters, valuable articles are exposed to risk; and the department cannot in any way undertake the safe conveyance of such packets. All inland or colonial letters, therefore, which unquestionably contain coin, even though they be posted without registration, are treated as registered, and charged on delivery with a double registration fee of 8d. in addition to the ordinary postage; and any such letters which cannot be registered in time to be forwarded by the mail for which they are posted, are detained for the next despatch.

Every letter to be registered should be presented at the window, and a receipt obtained for it, and should on no account be dropped into the letter-box. If, contrary to this rule, a letter marked 'Registered' be dropped into the letter-box, it will, *if directed to any place in the United Kingdom or British Colonies*, be liable to a registration fee of 8d., instead of the ordinary fee of 4d. A registered letter, if re-posted as an ordinary letter, with the word 'Registered' un erased or erased in pencil only, will also be liable to a registration fee of 8d.

Registered letters must be prepaid as regards both postage and registration fee; and if the letter be inland, such prepayment must be by stamps.

No letter-carrier, rural messenger, or other servant of the Post Office, is allowed to carry a letter for any person to be registered.

Parliamentary notices may be forwarded through the post under the following regulations:—

1. The words 'Parliamentary Notice' must be legibly printed on the face of the letter; and in order to secure the speedy return of any

notices which may be undelivered, the name and address of the solicitor issuing such parliamentary notice should also be legibly printed or written on the face of the letter; though this is not imperative.

2. These notices must be posted at the General Post Office in Edinburgh.
3. All notices which, by the standing orders of either House of Parliament, are required to be served on or before the 15th December, must be posted not later than the 12th December, unless the 12th fall on a Sunday, when they must be posted not later than the 11th; but those notices which, by the same orders, may be served after the 15th, may be posted after the 12th of that month.
4. The postage chargeable on these notices, and the registration fee of 6d. on each, must be prepaid by stamps.
5. The notices must be posted at the Post Office window, accompanied with duplicate lists of the addresses; the notices being arranged, for the convenience of comparison, in the order of the list. These lists will be examined by the officer in attendance at the window; and if they correspond with the addresses, he will sign and stamp every sheet of each list. One of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post Office, London.

The hours for receiving such notices are the same as those for the registry of ordinary letters, unless they be presented at such a time as to interfere with the other duties of the office; in which case the postmaster may appoint any other time within the next twenty-four hours for receiving the same, provided that, when the notices are to be served on or before the 15th December, such arrangement do not delay the posting beyond the 12th. Re-directed parliamentary notices are, like letters, liable to an additional rate of postage.

The senders of parliamentary notices should, if possible, arrange on the previous day with the postmaster as to the most convenient time for posting them, and state the probable number.

**LETTERS 'TO BE CALLED FOR.'**

The Poste Restante being intended solely for the accommodation of strangers and travellers who have no permanent abode in Edinburgh, letters for residents in Edinburgh must not be addressed nor redirected from a private address 'Post Office till called for.' Letters addressed to 'Initials,' 'Numbers,' or 'Fictitious Names,' cannot be received at the Poste Restante; if so addressed, they are returned to the writers.

No information can be given respecting letters which pass through a post office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

**PRIVATE BOXES AND BAGS.**

Any person can have a private box who is willing to pay the appointed fee. Where this fee goes to the revenue, it is generally fixed at one guinea per annum, to be paid in advance, and for a period of not less than a year; and where it goes to the postmaster, he may demand the same terms, though he may, at his option, take less. The same also, in most cases, are the terms for a private bag, except that, in addition, there is the cost of the bag itself, and a charge for conveyance, the maximum of the latter being half a guinea per annum if the bag be conveyed by a rural messenger, and two guineas

if by a contractor for a mail cart or other horse post. If more than one rural messenger or more than one contractor take part in the conveyance of a private letter bag, each is allowed to charge the full amount of the fee for his service. The weight of a private bag, when empty, is limited to one pound. As the service of a private bag may possibly delay the despatch of the general bag, none are allowed without the permission of the surveyor. If a private letter bag made up at one post office be left at another to be called for or to be delivered from thence, the postmaster at such other office may make a charge for his trouble: this charge is usually 5s. per annum. Any person residing within the limits of a town free delivery, and renting a private letter bag, is considered to have the accommodation of a private box at the post office as well as a bag, and is liable to the full charge for both bag and box.

**POSTAGE STAMPS AND ENVELOPES.**

Postage labels are of the respective values of 1/4d., 1d., 1 1/2d., 2d., 3d., 4d., 6d., 9d., 10d., 1s., 2s., and 5s. The embossed envelopes are of four sizes, and are sold thus: one for 1 1/4d., two for 2 1/4d., four for 4 1/2d., six for 6 3/4d., eight for 8 3/4d., and 1s. 1d. per dozen.

Every rural messenger is authorized to sell postage stamps (including stamped envelopes) at the same prices at which postmasters are empowered to sell them; and when any person applies to him for postage labels, the messenger must either supply them, or (if he has none in his possession) must, without extra charge, receive the postage in money, and on his arrival at the Post Office, obtain labels for it, and affix them carefully to the letters.

**MONEY ORDERS.**

The public are recommended, when applying for Money Orders, to use printed 'Application Forms,' which save time, and afford greater security than verbal messages against mistakes. These forms are supplied gratuitously at all Money Order Offices.

The scale of charges on the issue of Inland Money Orders is as follows:—

This scale does not apply to Orders issued on the Colonies and places abroad, the charges on which remain unaltered.

No single Money Order can be issued for more than £10;\* neither can an order contain a fractional part of a penny.

With the subjoined exceptions, no Money Order can be issued, unless the applicant furnish, in full, the surname, and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address:—

1. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and the usual

\* The only exception to this rule in Scotland is when the order is issued in payment of Government taxes, and in favour of the Receiver-General of Inland Revenue. In such a case, the order is not limited as to amount.

designation of a firm is sufficient, except in the case of a company trading under a title which does not consist of the names of the persons composing it, as the 'Carron Company.'

2. When the remitter notifies that the order is to be paid through a bank, it is left to his option to give or withhold the name of the payee.

When application is made for a Money Order payable in London, or at any other town where there is more than one Money Order Office, the remitter should say at which of such offices he wishes it to be paid: otherwise the order can be cashed at the Head Office alone. It is not incumbent on a postmaster to supply such information relative to local or provincial offices.

An order once issued cannot be cancelled; and should repayment or transfer to a different office, or alteration of name, be required, the remitter must apply according to the directions printed on the back of the order.

In order to enable the remitter to obtain an acknowledgment of the receipt of a Money Order before the money is paid, it is arranged that he may make his order payable ten days after date, provided that, in the presence of the postmaster, when he obtains the order, he affixes thereto, in the space after the request C., a penny receipt stamp, and write his signature across the stamp.

When an order is presented for payment (otherwise than through a bank), the postmaster has first to see that the signature of the payee be as full as the name given in the advice, and be not in any way inconsistent therewith. He has then to call on the applicant to give the name of the remitter; and if the reply be correct, the order will be paid, unless the postmaster have good reason for believing that the applicant is neither the rightful claimant, nor deputed by him. When an order is paid through a bank, it is sufficient that it be receipted (without regard to any discrepancy between the signature and the name in the advice, or to whether the receipt is given by the payee himself, or by another person), and that it be presented (crossed with the name of the receiving bank) by some person known to be in the employment of the bank.

The holder of a Money Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus crossed, the question put on the presentation of an ordinary Money Order is dispensed with.

Money Orders do not require a receipt stamp.

Payment of an order, issued and payable in the United Kingdom, must be obtained before the end of the second calendar month after that in which it was issued (for instance, if issued in January, it must be paid before the end of March); otherwise the order becomes lapsed, and a new order is necessary, for which a second commission is charged. The period for payment of orders issued in the United Kingdom, and payable in any colony authorized to transact Money Order business, including Gibraltar and Malta, is six months; and orders granted at those places on the United Kingdom are also payable during six months after that in which they were issued. A person presenting a lapsed order is furnished with a copy of a printed notice, headed 'Lapsed Money Orders,' containing directions how to proceed. If the order be not paid before the end of the twelfth calendar month after that in which it was issued (for instance, if issued in January, and not paid before the end of next January), all claim to the money is lost.

No application can be entertained for compensa-

tion for alleged injury from the non-payment of a Money Order at the expected time.

After once paying a Money Order, by whomsoever presented, the office is not liable to any further claim.

To guard against any person, even if he obtain possession of a Money Order, fraudulently getting it cashed, the remitter is recommended—

1. When he is well known to the payee, to sign the letter enclosing the order with his initials only.
2. When this is not the case, either to make the order payable ten days after date, or to register the letter enclosing it, or to make the order payable through a bank.
3. When it is not considered expedient to adopt either of these courses, to send the remitter's name (without a knowledge of which payment cannot be obtained) in a separate letter from that containing the Money Order; although this latter precaution is much less effective than either of the others.

Payment of an order cannot be demanded on the same day as that on which the order was issued.

In case of the miscarriage or loss of an inland Money Order, a duplicate is granted on a written application (with the necessary particulars, and enclosing the amount of a second commission, in postage stamps) to the Controller of the Money Order Office of England, Scotland, or Ireland, as the case may be, where the original order was issued; and if it be desired to stop payment of an inland order, a similar application, with a like enclosure of postage stamps, must be made to the Controller of the Money Order Office of that part of the kingdom in which the order is payable. If alteration in the name of the payee or remitter of an inland Money Order should be required, application must be made by the remitter to the postmaster of the office at which the order was issued, and a second commission must be paid. Should transfer of payment of an inland order from one office to another in the United Kingdom, or repayment of the amount of an order, be required, an application enclosing the order must be made to the postmaster at whose office the order is payable, who will transmit in exchange a new order payable at the place desired, but for a less sum than the original order by the amount of the second commission charged for the re-issue. Proper printed forms for making applications in all these cases may be obtained at any Money Order Office, and full instructions on the subject will be found printed on the back of the Money Order. Whenever, on complaint being made, it is found that the necessity for an application, entailing the payment of a fresh commission, is attributable to the Post Office, the charge will be remitted to the applicant, and imposed on the officer in fault.

A postmaster is required to give information how to apply for a duplicate order, etc., and must furnish the prescribed form of application. If payment of an order be refused in consequence of the replies to the questions respecting the remitter not corresponding with the entries in the advice, or of a difference in the name in the receipt, the applicant for payment should communicate with the remitter, and request him to apply personally to the issuing postmaster.

No letter-carrier, rural messenger, or other servant of the Post Office, is bound to procure a Money Order for any person, or to obtain payment for one; but such services are not forbidden.

Money Orders are issued at all Money Order Offices in the United Kingdom of Great Britain and Ireland (see List, p. ): on BELGIUM and SWITZERLAND at the rate of commission

charged on inland Money Orders; on GERMANY, including NORTH GERMANY, BADEN, BAVARIA, WURTEMBERG, and LUXEMBURG; as also on GIBRALTAR and MALTA, and on the British Post Office established in ALEXANDRIA, CAIRO, CONSTANTINOPLE, and SUEZ, at a charge equal to threefold the commission on inland Money Orders; on Money Order Offices in ALEXANDRIA, ARGENTINE REPUBLIC, BRAZIL, BAHIA, BUENOS AYRES, CONSTANTINOPLE, GIBRALTAR, HONG KONG, MALTA, MONTE VIDEO, PERNAMBUCO, RIO JANEIRO, SHANGHAI, SUEZ, and YOKOHAMA, at a charge equal to threefold the commission on inland Money Orders; and on Money Order Offices in the List on p. 619, at a charge equal to fourfold such commission.

The renewal of a lapsed order, the issue of a duplicate order, or the stoppage of payment of an order issued by a colony on the United Kingdom, will be made on application to the Controller of the Metropolitan Office of that portion of the United Kingdom in which such *Colonial Order is payable*, provided an additional British inland rate of commission be enclosed with the application; except in the case of lapsed orders, when the additional commission will be deducted from the amount of the new order issued by the department; but the lapsed order must be transmitted with the application for its renewal. Postmasters in the United Kingdom have power to transfer to other offices in the United Kingdom payment of colonial orders originally drawn on their own offices.

For repayment of the amount of a Money Order, or for the correction of any error respecting the name of the payee or remitter of an order issued by a colony on the United Kingdom, the application on the subject, enclosing an additional colonial inland rate of commission, must be addressed to the Controller of the Metropolitan Office of the colony in which such *order was issued*.

### POST OFFICE TELEGRAPHS.

The charge for the transmission of an inland message—that is, of a message going from one part of the United Kingdom to another part of the United Kingdom—is 1s. for the first twenty words, exclusive of the address, for which no charge will be made, and 3d. for each additional five words or part of five words.

Message forms are of two kinds, viz., forms with a 1s. stamp embossed thereon, and forms without any such stamp. Both kinds of form may be obtained at the postal telegraph offices, and the unstamped forms may be obtained at the railway stations, from which the railway companies will transmit messages on account of the Post Office. The forms with the 1s. stamp embossed thereon are sold in books of 50, price £2, 10s., or sold singly, or any number less than 50.

That portion of the form on which the message is to be written is divided into ten lines, and each line into five spaces; and it is very desirable that one word only be written in each space.

If the message be written in the manner requested, the charge for a message which does not reach beyond the first four lines will be 1s.; if the message reaches the fifth line, the charge will be 1s. 3d., and so on. The message forms admit of fifty words being thus written.

The payment of 1s. for a message not exceeding twenty words covers the delivery by special foot messenger within the limits of one mile from the terminal telegraph office—that is, within the limit of one mile from the office to which it is sent by wire or tube—or within the limit of the postal

delivery of that office, when it is a head office, although the town postal delivery may extend for more than a mile from it.

The entire charges for words in excess of the minimum number of twenty words allowed to a single message, and the entire charges for portage, when any portage has to be paid, are also, as far as is possible, to be prepaid by means of a postage stamp or stamps affixed to the message form. It is desirable that the public should use the smallest number of stamps that will conveniently denote the charges for the transmission of the message, that is, that they should use a 6d. stamp instead of six penny stamps. They are at liberty, however, to use for this purpose any of the denominations of postage stamps in use.

When the addressee—that is, the person who is to receive the message—does not reside within the limits above described, and when the sender desires to have his message delivered by special foot messenger, he will have to pay portage at the rate of 6d. per double mile—that is, a mile out and a mile back—or any part thereof. If the sender desires to have his message delivered beyond the limits of the free delivery by cab, fly, or horse express, he will have to pay 1s. per double mile for such delivery. Directions on these points are printed on the message form.

If the receiver of the message does not reside within the above described limits of free delivery, and the sender of the message does not desire to incur the cost of special delivery by special foot messenger, or by other means, the message will be sent out for delivery, free of extra charge, by the ordinary postal delivery next following on the arrival of the message at the terminal telegraph office.

Messages may not only be tendered for transmission at postal telegraph offices, but may be enclosed in envelopes addressed 'Telegraph Office,' and deposited in wall or pillar boxes, or in the letter boxes of ordinary receiving offices or sub-post offices. Telegrams so deposited will be sent on to the nearest postal telegraph office by the first ordinary postal collection from the letter box in which they are deposited, and will be sent on by wire from that nearest postal telegraph office as soon as possible after they reach it, and will be delivered to the addressee free of extra charge, provided the proper charge for the number of words contained in them, and for portage when they have to be delivered beyond the limits of the free delivery, have been prepaid by means of postage stamps affixed to the message form.

Messages so deposited, but insufficiently prepaid, will also be sent on in like manner, the difference of charge being obtained from the addressee; but messages so deposited without any prepayment whatever will be placed in a cover which will be directed to the addressee, and sent forward to him by post as an ordinary unpaid letter.

Messages written on the proper forms, and properly prepaid by means of postage stamps affixed to the forms, may be handed to rural post messengers who are proceeding to postal telegraph offices, for transmission therefrom.

Any additional information which the public may require with regard to the charges on, and regulations for the transmission of, inland messages, may be obtained at any postal telegraph office.

Messages for the Continent, India, or America, will also be collected at and delivered from the postal telegraph offices throughout the United Kingdom, at the rates and under the regulations charged and maintained by the telegraph companies engaged in the transmission and delivery of such messages.

Full information with respect to the charges on, and regulations for the transmission of, such messages, may also be obtained at postal telegraph offices.

### PRINCIPAL RULES OF THE GOVERNMENT INSURANCE AND ANNUITY OFFICE.

1. The Postmaster-General is empowered, under the Act 27 & 28 Vict. c. 43, to insure the lives of persons of either sex, between the ages of 16 and 60, for not less than £20 or more than £100. He is also empowered, under the same Act, to grant Immediate or Deferred Annuities of not more than £50 on the lives of persons of either sex, and of the age of 10 years and upwards. The persons whose lives are insured, or to whom Annuities are granted, by the Postmaster-General, have direct Government security for the payment of the money at the proper time.

2. Tables of the premiums to be charged for the Insurance of Lives; for the grant of Immediate Annuities; for the grant of Deferred Annuities or Deferred Monthly Allowances, without return of purchase money, and for the grant of Deferred Annuities or Deferred Monthly Allowances, with return of purchase money, may be seen at the General Post Office.

#### PREMIUMS CHARGED FOR THE INSURANCE OF LIVES.

The life of a man or woman in his or her 30th year may be insured for £100—

Smaller sums may be insured by proportionate payments, but no one of the periodical payments must be of less amount than two shillings.

No one life can be insured for less than £20 in the whole; but when a life has been insured for £20, further insurances may be effected on the same life from time to time, for any amount, until the whole sum for which it is insured amounts to £100.

Thus, a man aged 30 may purchase a Deferred Annuity of £10, to commence on his reaching the age of 60, and to be payable half-yearly, either by an immediate payment of . . . . . £24 3 4  
 or,  
 By an annual payment, until he reaches the age of 60, of . . . . . 1 8 4  
 A woman of like age may purchase a like Annuity by an immediate payment of . . . . . 32 8 4  
 or,  
 An annual payment, up to 60, of . . . . . 1 17 6

and a man aged 30 may purchase a Deferred Allowance of £2, 7s. 3d. per month, to commence when he reaches the age of 60, by a payment until he reaches that age of 8s. per month; and a woman of like age may, by a like payment of 8s. per month, purchase a Deferred Allowance of £1, 16s. 7d., to commence when she reaches the age of 60.

The Annuity or Monthly Allowance granted on any one life must not exceed £50 per annum, or £4, 3s. 4d. per month; but purchasers need not purchase the whole amount of such Annuity or Allowance at one time. They may begin by purchasing such part as they can afford to purchase, and go on increasing their purchases from time to time as their circumstances will permit.

Husband and Wife may each be insured to the full amount of £100, and may each purchase an Annuity of £50, or a Monthly Allowance of £4, 3s. 4d. Any two persons may purchase an Annuity on their joint lives, with or without continuance of the Annuity to the survivor.

Persons contracting for the insurance of their lives, or for the purchase of Annuities or Monthly Allowances, will be allowed to pay their periodical

premiums or instalments of purchase money at such of the post offices which have been or may hereafter be opened for the purpose, as will suit them best.

Persons proposing to effect insurances on their lives, or to purchase Deferred Monthly Allowances, must provide at their own cost such certificates of birth or baptism, or other evidence of age, as shall be required from them, but will not be required to pay any fee for medical examination, or to pay the cost of any inquiry which the Postmaster-General may think fit to make with regard to their health, habits, age, and occupation, or to pay any fee for the issue of any contracts which may be made in accordance with their proposals, or to pay any postage for the transmission of their proposals, or for the transmission of any correspondence arising out of such proposals between them and the Postmaster-General, inasmuch as a provision for all such costs and charges is included in the premiums which they will be required to pay, in accordance with the Tables framed for the purpose, for the insurance of their lives or the purchase of Deferred Monthly Allowances.

Persons proposing to purchase Immediate or Deferred Annuities, payable half-yearly, must provide at their own cost such certificates of birth or baptism, or other evidence of age, as shall be required of them; and, inasmuch as the premiums fixed by the Tables framed for the grant of such Annuities do not include any provision for costs and charges, must pay, at the time of purchase, a fee of 1s. for every £1 of Annuity purchased.

PRINCIPAL RULES OF THE POST OFFICE SAVINGS BANK.

Post Office Savings Banks are established at Money Order Offices in the United Kingdom, and are open for the receipt and payment of money

daily during the hours appointed for Money Order business.

At these banks deposits of one shilling, or any number of shillings, will be received; but no one may deposit more than £30 in one year, or more than £150 in the whole, exclusive of interest.

Interest at the rate of £2, 10s. per cent. per annum (which is at the rate of sixpence in the pound for each year, or at the rate of one-halfpenny on each complete pound for each month, reckoning from the first day of the calendar month next following the day on which a complete pound has been deposited, up to the last day of the calendar month preceding the day on which the money is withdrawn) is allowed until the sum due to a depositor amounts to £200, when interest ceases to be allowed. The interest due to each depositor is added to the principal due to him on the 31st December in each year.

Every deposit in a Post Office Savings Bank must be immediately entered by the postmaster, or other person receiving it, in a book, which book is to be kept by the depositor; and the postmaster or other person receiving the deposit should affix his signature and the stamp of his office to each entry. Depositors should carefully examine their books before leaving the offices at which they make their deposits, and ascertain that they have obtained correct receipts for the sums deposited by them.

In addition to the receipts which the depositors will thus obtain in their deposit books, they will receive for each deposit an acknowledgment by post from the Savings Bank Department in London. This acknowledgment should reach the depositor within three days from the day on which he makes his deposit, if the deposit be made in England or Wales. If the deposit be made in Ireland or Scotland, the acknowledgment should reach the depositor within five days. The acknowledgment should be quite free from erasure, and should state the exact amount of the deposit, and the day on which the deposit was made. If the acknowledgment does not reach the depositor in proper time, or if, when it reaches him, it shows any signs of erasure, or does not agree with the entry in the depositor's book, the depositor should immediately apply to the Postmaster-General by letter, and should renew his application again and again until he obtains a satisfactory reply.

Once in each year, on the anniversary of the day on which the first deposit was made by him, the depositor should forward his deposit book to the Controller of the Post Office Savings Bank Department in London, in order that it may be compared with the books of that department, and in order that the interest due to the previous 31st December may be inserted in it.

When a depositor wishes to withdraw the whole or any part of the sum due to him, he must make application for the same to the Postmaster-General

on a printed form called a Notice of Withdrawal, which he can obtain at any Post Office Savings Bank. When he has properly filled up this form, he must fold it and secure it, and forward it by post as if it were an ordinary letter. In return for it he will receive, probably by return of post, a warrant for the amount required by him, payable at the Post Office Bank named by him in the Notice of Withdrawal.

A depositor in any Post Office Savings Bank may add to his deposits at that or any other Post Office Savings Bank, and may withdraw the whole or any part of them from that or any other Post Office Savings Bank, without change of deposit book. For instance, if he makes his first deposit at the Post Office Bank at Huddersfield, he may make further deposits at, or withdraw his money from, the Post Office Bank at Huddersfield, or Leeds, Manchester, Birmingham, Edinburgh, Dublin, or any other place which may be convenient to him.

No charge will be made to depositors for the books first supplied to them, or for the renewal of those books; but if any depositor shall lose his book, and shall desire a new book, he must make application to the Postmaster-General for the same, and must enclose in his application postage stamps to the value of 1s. to pay for the new book. If a depositor loses his book, he should immediately give notice of the loss to the Postmaster-General.

No charge for postage will be made on the depositor for any letter passing between him and the Savings Bank Department with regard to his deposits, or with regard to the withdrawal of the same, or for the transmission of his deposit book between him and the Savings Bank Department.

The postmasters and other officers of the Postmaster-General employed in the receipt or payment of deposits, are strictly forbidden to disclose the name of any depositor, or the amount of his deposits, except to the Postmaster-General, or to such of his officers as are appointed to assist in carrying on the business of the Post Office Banks.

A full statement of the regulations of the Post Office Banks may be seen in the 'British Postal Guide,' and at any Post Office Bank; where also information may be obtained with regard to the rules affecting—

- (A.) The deposits made by trustees on behalf of another person.
- (B.) The deposits of minors.
- (C.) The deposits of married women.
- (D.) The deposits of friendly or charitable or provident societies or penny banks.
- (E.) The repayment of the deposits of deceased depositors to their representatives.
- (F.) The repayment of the deposits of depositors who have become insane, or who are, from other causes, unable to act for themselves.

## FOREIGN.

### OPTIONAL OR COMPULSORY PREPAYMENT.

When a letter, addressed to go by a route that requires prepayment, is posted unpaid, and there is some other route where prepayment is not required, it is forwarded by that route; but if there be none, it is sent to the Returned Letter Office, to go back to the writer.

### DISTANCE TO WHICH THE POSTAGE CARRIES THE LETTER.

The letter *a* prefixed to any division shows that the postage there entered does not carry the letter

from the place where it is posted in the United Kingdom entirely free to its place of destination; but that it is liable to an *additional* charge upon delivery.

### LETTERS FOR NON-COMMISSIONED OFFICERS, SOLDIERS, AND SEAMEN IN HER MAJESTY'S SERVICE.

Subject to the subjoined regulations, non-commissioned officers, bandmasters, army schoolmasters not being superintending schoolmasters or schoolmasters of the 1st class, private soldiers, or

seamen belonging to Her Majesty's ships, whether serving on sea or land, and whether in a British possession or foreign country, as also enrolled pensioners in Canada, can send and receive letters by packet or man-of-war, for a postage of 1d.; but if any such letters have to pass through a foreign country, they are subject, in addition, to the foreign postage, whatever that may be. Thus, the postage to the under-mentioned countries (including the British charge of one penny) is as follows :

|                                                                                                              |       |
|--------------------------------------------------------------------------------------------------------------|-------|
| To or from—                                                                                                  | s. d. |
| China, Ceylon, Mauritius, India, Japan, or Australia, <i>viâ Brindisi</i> . . . . .                          | 0 4   |
| Malta, <i>viâ Marseilles</i> (if not above $\frac{1}{2}$ oz.) . . . . .                                      | 0 3   |
| Chili, Peru, or any other place in the South Pacific . . . . .                                               | 0 2   |
| Vancouver's Island, British Columbia, or any other place in the North Pacific, <i>viâ New York</i> . . . . . | 0 2   |
| Canada, <i>viâ United States</i> . . . . .                                                                   | 0 2   |

1. The person claiming the privilege must at the time be actually employed in the service of Her Majesty, and must not be either a commissioned officer or warrant officer, viz. assistant engineer, gunner, boatswain, or carpenter, the privilege not extending to these officers.
2. If the letter be posted within the United Kingdom, the penny must be prepaid, as must any foreign postage that may be chargeable; and if sent by a private ship, the gratuity of one penny to the captain must also be prepaid. If posted abroad, prepayment is not compulsory; but if the letter be sent unpaid, it is on delivery charged twopence, together with any foreign postage or gratuity to a sea captain that may be due.
3. The letter must not weigh more than half an ounce.
4. It must relate entirely to the private concerns of the soldier or seaman.
5. The name of the soldier or seaman, with his class or description, must appear in the direction, and the officer having the command must sign his name, and specify the ship or regiment, corps or detachment, to which the soldier or seaman belongs; the name of the ship or regiment being entered in full. The foregoing particulars must be given in one of the following forms :

SEAMEN.

From A. B., Seaman, H.M.S. \_\_\_\_\_

(Here the direction of the letter to be inserted.)

C. D., Captain (or other Commanding Officer),  
H.M.S. \_\_\_\_\_

To A. B.,  
Seaman, H.M.S. \_\_\_\_\_

(Here the direction of the letter to be finished.)

SOLDIERS.

From A. B., Sergeant, etc., — Regt. \_\_\_\_\_

(Here the direction of the letter to be inserted.)

C. D., Colonel (or other Commanding Officer),  
Regt. \_\_\_\_\_

To A. B.,  
Private (or Sergeant, Corporal, etc.) — Regt. \_\_\_\_\_

(Here the direction to be finished.)

If the letter be posted in the United Kingdom for a place abroad, unpaid or insufficiently paid, or if the class or description of the soldier or seaman be

not written in the address, it will be detained, and returned to the writer for payment of the postage.

Letters for seamen on board Her Majesty's ships stationed at a foreign port should not be addressed to the care of the British Consul at that port, or to any agent on shore, as the privilege enjoyed by seamen, of receiving their letters through the post at reduced rates of postage, is confined to such letters as are addressed directly to them. All letters directed to the care of any other person are liable to the ordinary rate of postage; and in those cases where prepayment is necessary, they will be detained if such ordinary rate be not prepaid. The same rule is applicable to letters for non-commissioned officers in the army, schoolmasters, if not of the first class, schoolmistresses, and private soldiers.

OFFICERS' LETTERS.

Letters addressed to or sent by a commissioned officer (in the Navy or the Royal Marines), or a warrant officer, when employed on board any of Her Majesty's ships, on a colonial or foreign station, as well as letters addressed to or sent by a commissioned officer, or a superintending or first class schoolmaster in the army serving abroad, are subject to the same rates of postage as the letters of the general public. Letters addressed to ships-of-war on the Pacific station are subject to a postage of 1s. 6d. per half-ounce each.

ROUTES.

Except in the under-mentioned cases, letters not specially directed by a particular route are forwarded by the route immediately following the name of the place in the Table of Colonial and Foreign Postage:

*Exceptions.*—I. Letters for Aden, Alexandria, Cairo, India, and Suez, are sent by the first mail despatched by British packet; letters for Borneo, Ceylon, China, Japan, Java, Labuan, Penang, Philippine Islands, and Singapore, are sent by first packet, whether British or French, according to the route indicated by the postage; letters for Malta are sent by the first mail despatched, if the prepayment does not indicate that they are to be sent by another route.

II. Letters for Canada posted after the despatch of the mail *viâ* the United States on Saturday are forwarded by Canadian mail packet on Thursday, unless prepaid at the higher rate.

III. Letters for the Argentine Confederation, Brazil, Buenos Ayres, and Monte Video, are, provided the prepayment be sufficient, sent in the first mail despatched after the time of posting.

IV. Letters for Baden, Bavaria, and Wurtemberg, if insufficiently paid for transmission *viâ* France, but sufficiently paid to be sent *viâ* Belgium, are forwarded by the latter route.

PRUSSIA AND THE GERMAN POSTAL UNION GENERALLY.

According to the regulations of the German Postal Union, no letter exceeding 50 grammes (a little more than  $1\frac{1}{2}$  oz.) in weight, and containing any other enclosure than paper, can be allowed to circulate by the post. Any letters, therefore, forwarded in the mail to Prussia above that weight, and containing any other enclosure than paper, will be liable, on their arrival at the Prussian frontier, to be stopped, and sent to the Custom House for delivery as *freight*.

### TRANSMISSION OF JEWELLERY, ETC. TO SPAIN, BELGIUM, TURKEY, AND COSTA RICA.

The laws of Spain forbid the transmission by the post within that country of letters or other packets containing watches, jewellery, or other articles of value, which are liable to Customs duties. Any such packets, therefore, which may be forwarded in the mails to Spain will not be delivered, but will be sent back from the frontier. A similar prohibition, on pain of forfeiture, is placed upon the transmission of diamonds and other jewels to the Turkish Empire, and of money and jewellery to the Republic of Costa Rica.

### REGISTRATION OF LETTERS, ETC.

The fee chargeable for registering a letter, in addition to the ordinary postage, *both of which must be prepaid, or the letter cannot be registered*, will be found against each country or place in the Table of Colonial and Foreign Postage. Letters, newspapers, books, and patterns may be registered to any place in the British Colonies, the United States of America, Switzerland (*via* Belgium), Italy, or the German States, also (when sent in closed mails) to the British Post Office in Egypt and Constantinople; but to other foreign countries only letters, and packets prepaid at the letter rates, can be registered. To some countries, as shown in the Table of Colonial and Foreign Postage, there is no arrangement whatever for registration.

Where the prefix '*in*' is made use of in the column of fees in the Table of Colonial and Foreign Postage, the letter can be registered only to the port of arrival; it being left in those cases to the postal authorities of the country to which that port belongs to continue the registration if they think proper. Where the word '*none*' appears, no registration can be effected.

*France and Countries through France.*—The registration fee upon letters addressed to France or countries through France (*exclusive of those sent in the closed mails to India, Hong Kong, Ceylon, Mauritius, Australia, Gibraltar, via France, Malta, Constantinople, Greece, Portugal, Spain, or Italy*) is not a fixed sum, but is in all cases equal to the postage.

### LETTERS BY PRIVATE SHIPS.

Letters intended to be sent by private ship must be addressed 'By Private Ship;' and if by a particular vessel, the name of the ship must be added. The postage of a letter by a private ship to Belgium, Belize, British North America, United States, and the British West Indies, is 3d. not exceeding  $\frac{1}{2}$  oz., and 3d. is charged in the case of heavy letters for every additional  $\frac{1}{2}$  oz.; to the Cape of Good Hope, Natal, St Helena, and Ascension, the postage is 4d. not exceeding  $\frac{1}{2}$  oz., and 4d. is charged for every additional  $\frac{1}{2}$  oz.; to France, 3d. is charged for every  $\frac{1}{2}$  oz.; to Norway, every  $\frac{1}{2}$  oz. 6d.; Holland, 8d., not exceeding  $\frac{1}{2}$  oz.; in all other cases the single rate is 6d., and the postage for heavy letters progresses in the same manner as the postage of letters sent by mail packets. Letters may be sent unpaid to the following places, viz.: Azores, Belgium, Belize, British West Indies, Canada, Cape de Verds, Cape of Good Hope, Ceylon, Falkland Islands, France and Algeria,

Gold Coast, Holland, Hong Kong, India, Madeira, Mauritius, Natal, New Brunswick, Newfoundland, Nova Scotia, Portugal, Prince Edward Island, St Helena, Sierra Leone, and the United States; those for the Azores, Cape de Verds, Madeira, and Portugal being chargeable on delivery with 8d. per  $\frac{1}{2}$  oz.; those for France and Algeria, 8d. per  $\frac{1}{2}$  oz.; those for Norway, 9d. per  $\frac{1}{2}$  oz. each in addition to the postage; and those for the other places (except Holland, which are not chargeable with any addition), one extra rate each; but to all other places prepayment is compulsory. Book packets and patterns may be sent by ship at the packet rates to all places where they can be forwarded by mail packet.

Newspapers by private ships to the Azores, Cape de Verds, Madeira, and Portugal, are charged 2d. each; in all other cases they are charged 1d. each.

### HOT CLIMATES.

The practice of sealing letters passing to and from the *East and West Indies*, and other countries with hot climates, with wax (except such as is specially prepared), is attended with much inconvenience, and frequently with serious injury, not only to the letters so sealed, but to the other letters in the mail, from the melting of the wax and adhesion of the letters to each other. The public are therefore recommended in all such cases to use either wafers or gum, and to advise their correspondents in the countries referred to to do the same.

### PREPAYMENT, ETC.

Letters addressed to places abroad may be prepaid in this country either in money or stamps, but such payment must be wholly in stamps or wholly in money. Newspapers, book packets, and patterns must always be prepaid, and this by stamps.

With certain exceptions, the only admitted evidence of the prepayment of a letter, *inwards*, is the mark agreed upon with the particular foreign country or colony.

Naval officers, marines, and seamen serving abroad, are allowed to prepay such of their letters as are conveyed in their ship's bag with English postage stamps.

When prepayment is *optional*, any outward letter (that is, a letter posted within the United Kingdom, and addressed to some place out of it) posted with an insufficient number of stamps, is charged on delivery with the deficient postage in addition; unless the letter have to go to a country through France, in which case it is treated as wholly unpaid, the postal arrangements with these countries not allowing the recognition of partial prepayment. When, however, prepayment of the whole postage is *compulsory*, a letter or aught else posted with an insufficient number of stamps is sent to the Returned Letter Office.

Letters to or from Australia and New Zealand, posted wholly unpaid or paid less than one rate, are detained and returned to the writers for postage; but those on which one rate, although not the whole postage, has been paid by stamps, are charged with the deficient postage, and an additional rate as a fine. Letters for Tasmania *must be fully prepaid*.

Letters posted unpaid (wholly or in part), addressed to the under-mentioned places, are on delivery charged 6d. each in addition to the ordinary postage:—

Those sent to foreign countries, generally *viâ* Belgium, Greece, Portugal, Madeira, the Azores, and Cape de Verdes, are charged 2d. per rate in addition to the deficient postage.

Letters posted wholly unpaid for Algeria and France, are charged 6d. per  $\frac{1}{2}$  oz.; and those posted wholly unpaid, or paid less than one rate of postage, for the Canary Islands, Majorca, Minorca, and Spain, are charged double the prepaid rate. Letters for the Canary Islands,

Majorca, Minorca, and Spain insufficiently prepaid, are, provided one rate at least be paid, charged with double the deficiency; and those for Algeria, France, insufficiently prepaid are charged at the unpaid rate less the value of the stamps affixed.

Those posted unpaid for the following places sent by French packet, are charged with a postage of 9d. per  $\frac{1}{2}$  oz.:—

Letters posted unpaid (wholly or in part) for Belgium, Canada, Nova Scotia, New Brunswick, the United States, or Holland *viâ* Belgium, are charged 3d. each in addition to the ordinary postage; those sent to Holland *viâ* France are charged 8d. per  $\frac{1}{2}$  oz., and those for Switzerland *viâ* Belgium 3d. per  $\frac{1}{2}$  oz.

The same rates are chargeable in this country upon letters posted unpaid wholly or in part from the above places, except from Alexandria, Cairo, and Suez, *viâ* Southampton, China, and Holland *viâ* France, which are charged the prepaid rate only.

**LETTERS FOR PASSENGERS ON BOARD MAIL PACKETS.**

Letters for passengers on board the Cunard and Inman packets for America touching at Queenstown, provided they be addressed to the care of the commander of the packet, and be

registered, may be posted in any part of the United Kingdom up to the time at which ordinary registered letters for America by the same packets are received.

Letters for passengers on board the Mediterranean packets about to sail from Southampton with the mails for India, Australia, China, etc., or on board the Canadian packets touching at Londonderry, may, under similar conditions, be posted up to the same time as ordinary registered letters for India, Australia, etc., or for Canada.

The letters should be addressed thus: 'Mr. \_\_\_\_\_, on board the mail packet at Queenstown [Londonderry or Southampton]. Care of the Officer in charge of the mails,' care of the commander of the packet,' as the case may be.

Letters directed to the care of the Packet Agent at Suez, and despatched by the mail *viâ* Brindisi, which follows the mail *viâ* Southampton, will probably reach passengers for India, etc., who have sailed in the packet from Southampton.

In Spain, as a rule, the circulation is prohibited of all articles which are not either letters or printed papers; but patterns and samples may be sent under the following regulations:—

1. The patterns or samples themselves must be of no intrinsic value whatever.
2. They must be enclosed in covers open at the ends or sides, or in such other manner as to admit of a thorough inspection.
3. The covers must contain no writing except the usual trade marks and numbers.
4. Packets of patterns and samples thus forwarded will be liable in this country to the same rates of postage as ordinary letters for Spain, viz. 6d. for a packet not exceeding a quarter of an ounce in weight, increasing for heavier weights at the rate of 6d. for each quarter of an ounce; and such postage must in all cases be paid in advance.

\* The only Post Offices in Western Australia which are authorized to issue Money Orders on the United Kingdom, and to pay Money Orders issued in the United Kingdom on Western Australia, are those at Perth and Albany (King George's Sound); but local arrangements are now in operation in the Colony, by which Orders drawn on Perth in favour of persons residing in the above-mentioned Towns and Districts can be negotiated, and the signature of the payee always obtained on the Orders.

The renewal of a lapsed Order, the issue of a duplicate Order, or the stoppage of payment of an Order issued by a Colony on the United Kingdom, will be made on application to the Controller of the Metropolitan Office of that portion of the United Kingdom in which such *Colonial Order is payable*, provided an additional British Inland Rate of Commission be enclosed with the application; except in the case of lapsed Orders, when the additional commission will be deducted from the amount of the new Order issued by the Department; but the lapsed Order must be transmitted with the application for its renewal. Postmasters in the United Kingdom have power to transfer to other offices in the United Kingdom payment of Colonial Orders originally drawn on their own offices.

For repayment of the amount of a Money Order, or for the correction of any error respecting the name of the Payee or Remitter of an Order issued by a Colony on the United Kingdom, the application on the subject, enclosing an additional Colonial Inland rate of Commission, must be addressed to the Controller of the Metropolitan Office of the Colony in which such *Order was issued*.

## STAMP AND LEGACY DUTIES, ETC.

The following is a list of Stamp Duties according to the schedule of the Act 33 and 34 Vict. c. 97 with the Duty on Policies of Fire and Sea Insurance, Letters Patent, Patent Medicine, and Plate, and Inventory, Legacy, and Succession Duties, which remain under the former Acts. Generally, the items are given in the words of the schedule. New matter is put within brackets. When the sections are merely cited without the Act, they are the sections of 33 and 34 Vict. c. 97. All items in the schedule of the Act relating solely to England and Ireland are excluded. In the same session were passed the Acts 33 and 34 Vict. c. 98, Stamp Duties Management, and 33 and 34 Vict. c. 99, repealing certain enactments relating to the Stamp Duties. The Duties came into operation on the 1st January 1871. The exemptions in other Acts in force are preserved (§ 3).

The attention of the public may be directed to the following matters:—

1. The general deed duty, or duty on a deed, not otherwise charged, is reduced to 10s.

2. Progressive duty on words is not imposed.

3. Provisions are made for charging *ad valorem* duty on conveyances in respect of periodical payments or annuities.—(§ 72.)

4. An agreement for a lease for a term not exceeding 35 years is to be charged with the lease duty.—(§ 96.)

5. An instrument chargeable as a lease in consideration, in whole or in part, of produce or other goods—

Where it is stipulated that the value shall amount to or not exceed a given sum, *ad valorem* lease duty on such sum.

A statement in the lease in regard to the value of such produce or goods to be conclusive as to stamp duty, unless and until shown to be incorrect.—(§ 97.)

6. A notarial instrument is liable to the same duty as an instrument of seisin—to wit, 5s.

7. Any instrument specifically charged by any previous Act with the duty of 35s., is chargeable with the duty of 10s.—(§ 4.)

8. Instruments relating to the property of the crown, and to the private property of the sovereign, are liable to same duties as instruments relating to the property of the subject.—(§ 5.)

9. Instruments are to be so stamped that the stamp may appear on the face of the instrument, and cannot be applied to any other instrument written upon the same piece of material.—§ 7 (1.) Every instrument on the same piece of material is to be separately stamped.—§ 7 (2.)

10. Instruments relating to several distinct matters are to be separately stamped in respect of each.—§ 8 (1.) An instrument liable to *ad valorem* duty, if made for any other valuable consideration, is to be charged in respect of it, as if it were a separate instrument for such.—§ 8 (2.)

11. An appropriated stamp (by word on the face of it) cannot be used for an instrument of another description.—§ 9 (1.) An instrument of the description to which a stamp is appropriated is not to be duly stamped unless stamped with the stamp appropriated to it.—§ 9 (2.)

12. All the facts and circumstances affecting the liability of an instrument to *ad valorem* duty, or the amount of it, are to be fully and truly set forth. If not, penalty on person who executes and on person concerned in the preparation, £10.—(§ 10.)

13. Instrument chargeable with *ad valorem* duty in respect of money in foreign or colonial currency, the duty to be calculated on the value in British currency, according to the current rate of exchange at the date of the instrument.—(§ 11.)

14. Instrument chargeable with *ad valorem* duty

in respect of stock or marketable security, the duty to be calculated on the value, according to the average price at the date of the instrument.—(§ 12.)

15. If the instrument contains a statement of the current rate of exchange, or average price, and is stamped accordingly, it is to be deemed duly stamped until statement shown to be untrue, and that the instrument is in fact insufficiently stamped.—(§ 13.)

16. The duties apply to instruments executed in the United Kingdom, and to instruments where-soever executed, relating to property situated, or to any matter or thing done or to be done, in the United Kingdom.—(§ 17.)

17. No instrument, except in criminal proceedings, shall be pleaded or given in evidence, or admitted to be good, useful, or available in law or equity, unless it is duly stamped in accordance with the law in force when executed.—(§ 17)

18. If any person registers an instrument not duly stamped, penalty £10.—(§ 22.)

INVENTORY DUTY.

PROPERTY LIABLE TO THE DUTY.—*Generally*—All personal property (heritable securities are personal property) belonging to the deceased in the United Kingdom, heritable securities, and personal bonds excluding executors. (48 Geo. III. c. 149, § 38, etc.; 55 Geo. III. c. 184, Schedule, Part III.; 21 & 22 Vict. c. 56, § 9, 12, 13, etc.; and 16 & 17 Vict. c. 59, § 8.)

*Personal Property—Absolute power of disposal.*—Personal estate which a person, dying after 3d April 1860, shall have disposed of by will, under any authority enabling such person to dispose of the same as he shall think fit, shall be deemed personal or moveable estate of the person so dying, for the purpose of payment of

Inventory, Probate, or Administration Duty. (23 Vict. c. 15, § 4.)

*Indian Promissory Notes—Ships.*—Indian Government Promissory Notes and Certificates issued, or Stock in lieu thereof, being assets of a deceased person, the interest of which shall be payable in London, registered in London, or enfaced in India for the purpose of such registration, before the death of the owner; also Indian Government Promissory Notes, with coupons attached, in the same circumstances as to registration, and Certificates issued, or Stock created in lieu thereof, shall be personal estate and *bona notabilia* in England of the deceased person (23 Vict. c. 5, § 1): Also any *ship*, or any share of a ship, belonging to a deceased person, registered in any port in the United Kingdom, notwithstanding such ship at the time of the death may have been at sea, or elsewhere out of the United Kingdom, shall be deemed to be at the port at which she may be registered (27 & 28 Vict. c. 56), and liable to Inventory, Probate, or Administration Duty.

*Specialty Debts.*—For Probate and Administration Duty, debts and sums of money due from persons in the United Kingdom to a deceased on obligation or other specialty, shall be estate and effects of the deceased within the jurisdiction of Her Majesty's Court of Probate in England or Ireland in which the same would be if they were debts upon simple contract, without regard to the place where the obligation or specialty shall be at the time of the death. (25 Vict. c. 22, § 39.)

*Foreign Bonds and Stocks.*—Documents of the debts of Foreign Governments and Foreign Companies which pass from hand to hand are property where the documents may be. Debentures or bonds by Foreign Companies and Governments, and the title to Stocks of Foreign Companies and Governments, are property in this country, if in the possession of any person in this country, and can be sold in the market, and the title of the purchasers completed to them in this country. See Attorney-General v. Bouwens, 4 Meeson and Welsby 171.

*Rents of Heritage.*—If the deceased survive Whitsunday, one moiety of the rents of the crop of that year is personal estate. If he survive Martinmas, the whole rents of that crop fall into the executry. In addition, from and after 1st August 1870, the Act 33 & 34 Vict. 1870, c. 35, would seem to give the executor a proportion of the rents from the term preceding the date of death to the date of death. That Act would also seem to give a proportion of the term's rents of quarries, minerals, and houses, and also feu-duties current at the death. The executor's right to house rents would not therefore be to the half-year's rents current at death, but to a proportion only to the date of death.

MODES IN WHICH DUTY MAY BE PAID.

*When deceased domiciled in Scotland.*—In the case of a person dying domiciled in Scotland having personal property in Scotland, England, and Ireland, and also heritable securities excluding executors, and personal bonds excluding executors, duty in respect of the whole may be paid on the Inventory required to be recorded in the Commissary Court; or Inventory Duty may be paid on the personal property situated in Scotland, including heritable securities made moveable by the Act 31 & 32 Vict. c. 101,

§ 117, and Duty may be paid on a 'Special Inventory' of the heritable securities excluding executors, and personal bonds excluding executors, and probate or administration may be obtained in England and Ireland in respect of the personal estate in these countries, and duty paid in respect of such on these instruments.

When deceased domiciled furth of the U. K.—In case of a person dying domiciled furth of the United Kingdom leaving personal estate in Scotland, England, and Ireland, an Inventory must be given up in Scotland, probate or administration taken out in England and Ireland, and duty paid on such in respect of the property in each country.

(4.) If it is decided by the court that the assessment of the commissioners is erroneous, any excess of duty which may have been paid in conformity with such erroneous assessment, together with any penalty which may have been paid in consequence thereof, shall be ordered by the court to be repaid by the commissioners to the appellant, together with the costs incurred by him in relation to the appeal.

- (4.) Signed by or on behalf of the drawer thereof, but which from any omission or error has been spoiled or rendered useless, although the same, being a bill of exchange, may have been presented for acceptance or accepted or endorsed, or, being a promissory-note, may have been delivered to the payee, provided that another completed and duly stamped bill or note is produced identical in every particular, except in the correction of such error or omission as aforesaid, with the spoiled bill or note:
- (5.) The following *executed* instruments—
- (a.) Presentation to an ecclesiastical benefice not followed by institution:
- (b.) Executed by any party thereto, but afterwards found to be absolutely void in law from the beginning:
- (c.) Executed by any party thereto, but afterwards found unfit by reason of any error or mistake therein for the purpose originally intended:
- (d.) Executed by any party thereto, but which, by reason of the death of any person by whom it is necessary that it should be executed, without having executed the same, or of the refusal of any such person to execute the same, or to advance any money intended to be thereby secured, cannot be completed so as to effect the intended transaction in the form proposed.
- (e.) Executed by any party thereto, which, for want of the execution thereof by some material and necessary party, and his inability or refusal to sign the same, is in fact incomplete and insufficient for the purpose for which it was intended:
- (f.) Executed by any party thereto, which, by reason of the refusal of any person to act under the same, or by the refusal or non-acceptance of any office thereby granted, totally fails of the intended purpose:
- (g.) Executed by any party thereto, which, for want of enrolment or registration within the time required by law, becomes null and void:
- (h.) Executed by any party thereto, which becomes useless in consequence of the transaction intended to be thereby effected being effected by some other instrument duly stamped:
- (i.) Executed by any party thereto, which is inadvertently and undesignedly spoiled, and in lieu whereof another instrument made between the same parties and for the same purpose is executed and duly stamped:

Provided:—

- (1.) *Executed Instruments*—

- (b.) The application is made within *six months* after the date of the instrument, or, if not dated, within *six months* after the execution by the person by whom it was first or alone executed. Where from unavoidable circumstances any instrument for which another instrument has been substituted cannot be given up to be cancelled within the aforesaid period, and in that case within *six months* after the date or execution of the substituted instrument; 2. Where the spoiled instrument has become void for want of enrolment or registration, and in that case within *six months* next after it has so become void; 3. Where the spoiled instrument has been sent abroad, and in that case within *six months* after it has been received back in any part of the United Kingdom:
- (c.) No action has been brought or suit commenced in which the instrument could or would have been given or offered in evidence:

- (2.) *Unexecuted Instruments*.—In the case of stamped material, not having any executed instrument written thereon, and of an adhesive stamp not affixed to any material, the application is made within *six months* after the stamp has been spoiled.

*Misused Stamps*.—§ 15. Stamp used of greater value than was necessary, or stamp inadvertently used for an instrument not liable to any duty, application within *six months* after the date of the instrument, or, if it is not dated, within *six months* after the execution. The instrument liable to duty to be restamped with the proper duty. The mis-used stamp to be cancelled and allowed as spoiled.

*Allowance how to be made*.—§ 16. The Commissioners may give in lieu other stamps of the same denomination and value, or if required, and they think proper, stamps of any other denomination to the same amount in value, or, at their discretion, the same value in money, deducting the proper allowance on the purchase of stamps of the like description.

*Stamps not wanted may be repurchased by the Commissioners*.—§ 17. A stamp not spoiled or rendered unfit or useless for the purpose intended, but for which the person has no immediate use, the Commissioners may, if they in their discretion think fit, repay the amount in money, deducting the proper discount. The stamp to be delivered up to be cancelled, and satisfactory proof to be given that it was purchased by him with a *bona fide* intention to be used, and that the applicant has paid the full value thereof without any deduction (except only the amount of such discount), and that the stamp was so purchased within the period of *six months* next preceding the application at the chief office or at one of the head offices, or from some person duly appointed to sell and distribute stamps, or duly licensed to deal in stamps.

As to the exchange of *Sea Policies* of Insurance, see 30 Vict. c. 23, § 17. The cases for allowing are—

- (1.) Where policy shall be inadvertently filled up in an incorrect or improper manner;
- (2.) Or be obliterated or otherwise spoiled, and rendered unfit for use;
- (3.) Or shall be filled up for some insurances which shall not be proceeded in, and the same shall not be signed by any underwriter.

Application must be made within *six months* after the policy shall be spoiled or become useless. (See Note a.)

a. The Solicitor's Office, No. 5 in the Inland Revenue Office, Edinburgh, is open for the allowance of spoiled stamps every Tuesday and Thursday, from 12 noon to 2 p.m. The distributors of stamps also receive spoiled stamps for allowance.

A supply of forms of affidavits is kept by the solicitor and the distributors, and claimants may attend at the Solicitor's Office and have the affidavits filled up and taken; or they may get copies of the forms, and take the oath before a justice of the peace, and afterwards lodge the affidavits and the stamps with any of the above officers. If the claim be admitted at Edinburgh, a ticket is issued stating that application is to be made for the new stamps after the next Monday, and within six weeks from the date of the ticket. If the claim be lodged with a distributor, a ticket is issued stating that application is to be made for the said stamps after a specified date, and within six weeks from the date of the ticket. If application not made within that time, the claim will be forfeited.

The stamps must be presented for allowance within *six months* after being spoiled.

## HACKNEY CARRIAGES IN EDINBURGH.

### FARES BY DISTANCE.

1. The distance to which any hackney carriage may be driven under these Bye-laws, shall be seven miles from the Cross of Edinburgh.

2. When a party not exceeding two grown-up persons, and without any luggage other than a carpet-bag or the like, enters a carriage at a stance, or when driving along disengaged, they shall be driven half a mile for 6d.; and if they return they shall pay the same fare. The driver shall draw up to either side of the pavement when called; and if detained more than five minutes before starting, he shall be entitled to 6d. for waiting.

*N.B.*—This rule shall not apply to fares from railway stations.

3. Excepting the Sixpenny Fare, the fares by distance shall be shown in the annexed Table of Fares. The charges in the table shall include going from the stance or stable to the hirer's residence, and waiting ten minutes. But if the carriage be detained, before starting, more than ten minutes, a charge for waiting at the rate of 6d. for each quarter of an hour, or part thereof, after the expiry of the ten minutes, shall be allowed; and if the place where the hirer is to be taken up be beyond half a mile from the stance or stable whence the carriage is taken, there shall be a charge of 6d. for such distance.

4. When any place is not mentioned in the table, the fare shall be the same as that to any place mentioned which may be in the immediate vicinity.

5. When the fare of any particular place not mentioned cannot be ascertained by reference to a place in the immediate vicinity, the fare shall be 1s. for a distance from the stance not exceeding a mile and a half, and *sixpence* for every additional half-mile or part thereof.

6. Half fare returning with the party, excepting the half-mile drive.

7. When parties return (which they shall have the option of doing), and the fare going is 1s., the carriage shall wait ten minutes without any charge for waiting; when 1s. 6d., fifteen minutes; when 2s. and upwards, twenty minutes. If the carriage be detained longer, a charge shall be allowed for waiting, at the rate of 6d. for every twenty minutes, or part thereof, commencing at the periods when the free waiting expires.

8. When a carriage is called but not used, a charge of 6d. shall be allowed, if the place to which it is called be under half a mile from the stance or stable, and 1s. if beyond that.—Waiting as in Section 7.

### FARES BY TIME.

It shall be in the option of the hirer to employ a carriage within the municipal bounds by time, for SHOPPING, MAKING CALLS, and the like, where the driving is not continuous. The charge in such cases shall be 1s. for the first half-hour, and 6d. for every additional quarter of an hour.

2 U

For an AIRING into the country within seven miles from the Cross of Edinburgh, and returning either by the same or a different road, the rate shall be 6d. for every ten minutes, or 3s. per hour. A drive round the Queen's Drive shall be considered an airing. Unless the hirer wishes a slower pace, the rate of driving when out an airing shall be at least six miles an hour; and in the event of the driving being at a slower pace than six miles an hour, contrary to the wish of the hirer, it shall be optional for the hirer to pay the fare in the proportion of 3s. for every six miles so travelled.

### WHETHER THE FARES ARE BY DISTANCE OR BY TIME.

1. The hirer pays tolls.

2. If there be more than four grown-up persons driven, a charge of 6d. extra shall be made for each additional grown-up person, or for each two children above six years of age, and under twelve. No additional charge for one child above six to twelve, or children under six years.

3. From twelve at night till seven morning—double fare.

4. The above fares are for one-horse carriages, and there shall be no additional charge when two horses are used.

5. Owners or drivers may agree to drive at lower fares than those fixed. In that case, should they demand more than the fare agreed on, they shall be liable as for an overcharge.

### LUGGAGE.

For luggage exceeding 100 lbs. in weight there shall be a charge of 6d. extra. But there shall be no charge for luggage under that weight. The driver shall assist in loading and unloading in all cases when required.

### FARES MAY BE WITHHELD.

Any party shall be entitled to withhold payment of the fare—

1. When the name and number are not painted outside, or when there is no plate inside, in terms of Article Third of these bye-laws.
2. When the reference ticket is not given.
3. When the bye-laws, table of fares, and driver's licence are not shown on demand.
4. When an overcharge is made.
5. When the driver fails or refuses to complete an engagement.

### REDRESS.

Parties aggrieved will obtain redress on application to the Procurator-Fiscal at the City Chambers, within eight days after the date of the offence, except in cases when parties are prevented making such application by their absence from town.

*Note.*—Attention is specially directed to the 237th Section of the Police Act, which imposes a penalty not exceeding 10s. on any person who refuses to pay the regular fare on demand.

THE SCOTTISH EQUITABLE LIFE ASSURANCE SOCIETY is an Institution peculiarly adapted for securing family provisions. It is a purely Mutual Assurance Society. The whole Profits belong to the members, who are at the same time expressly exempted from personal responsibility. No part is, as in the case of a Proprietary Company, diverted from those who are assured, and paid away to Shareholders; and the additions which have already been made to Policies, afford the clearest evidence of the prosperity of the Institution, and the great advantages derived by its members. The Profits are divided every *five years*, and are allocated, not only on the sums originally assured, but also on the previously vested Bonus Additions. Intermediate Bonuses are also paid in the event of death occurring between periods of Division.

The total Additions made to Policies amount to £1,706,164.

Foreign Residence.—The Assured are allowed to travel or reside in any part of Europe without licence; and, on application, licence will be given, without payment of Extra Premium, to reside in Canada, the Northern States of North America, Australia (to the southward of 30° south latitude), New Zealand, and the Cape Colony. A small extra premium is charged for the risk of the voyage to the three last-mentioned places.

No extra Charge is made for Military Service of any description within the United Kingdom.

Indisputable Policies.—Policies of Five Years' standing may be declared Indisputable on any

ground whatever, except non-payment of the Premiums, on satisfactory evidence that the Assured have no prospect of going beyond the limits of Europe.

Surrender of Policies.—A liberal allowance (*ascertained on fixed principles in all cases*) is given on the Surrender of Policies for the whole term of life, on which three years' Premiums have been paid.

Loans to Policyholders are granted to the extent of the Surrender Value of their Policies, free of all expense, and without any other security than the deposit of the Policies. These Loans may be repaid at any time.

THIS COMPANY was established at Edinburgh in 1825. The Acts of Parliament 2d and 3d Gul. iv. cap. 81, and 8th and 9th Vict. cap. 75, also the 22d and 23d Vict. cap. 27, have been granted for the purpose of its constitution and for the regulation of its affairs. It has been conducted with much success, which may be attributed not only to its extensive and influential connections, but more particularly to the liberality of its dealings, and to the constant attention paid by the Directors to the adoption of improvements and facilities in connection with the contract of Life Assurance.

THE STANDARD LIFE ASSURANCE COMPANY—*continued.*

Extract from the Report to the 45th Annual General Meeting of the Company, held 20th April 1871.

'On the present occasion the Board of Directors have not only to give an account of their proceedings during the last financial year of the Company's progress, but during the quinquennial period which closed on 15th November 1870.

'The Directors have now much satisfaction in reporting that each year of the quinquennial period has been attended by that steady and satisfactory progress which has for so long a period marked the operations of the Company.

New Assurances effected from 15th November 1865 to 15th November 1870.

| Total in 5 Years, | | | | | £5,713,813 | 7 | 3 |

Giving an annual average of new business, during the period, of £1,142,762, 15s. 5d., the first and last years of the period being above the average.

'While the Directors direct attention to these results as indicative of the industry with which the business has been pursued, they would also claim credit for the exercise of a sound discretion in the selection of lives, the proposals made to the Company during the period referred to, and from which these assurances were selected, amounting to no less than £7,151,170, 16s. 5d., contained in 11,221 proposals, of which 9190 were accepted, represented by the total of £5,713,813, 7s. 3d., shown above.

'The Company has thus, it must be admitted, been eminently successful in obtaining new business, evincing the esteem in which it is held by the public; but a Report of this nature would be very incomplete were prominence not given to the Exits as well as the Entrances. Death has claimed its usual percentage of the living, and the Company has fulfilled the object of its Institution by meeting with promptness the claims which were thus made upon its funds.

'The Deaths during the quinquennial period gave rise to the following claims:—

| Claims. | Sums Assured. | Bonus Additions. |
|-----------------|------------------------|---------------------|
| 1866, | £314,376 3 10 | £48,693 4 8 |
| 1867, | 306,561 13 6 | 46,190 13 0 |
| 1868, | 315,070 15 6 | 46,598 17 1 |
| 1869, | 322,117 11 8 | 36,649 10 10 |
| 1870, | 333,605 16 4 | 42,343 16 1 |
| | <u>£1,591,732 0 10</u> | <u>£220,476 1 8</u> |

'In transacting all this business, the Directors have, to the best of their ability, discharged the responsible duties devolved on them. It can well be imagined that in the acquisition of so much new business, in the dealings with so many accumulated transactions, and in the settlement of such a large amount of claims, questions of importance requiring the exercise of care, judgment, discretion, and liberality have presented themselves; and probably the best gauge of the success which has attended the management in these respects is, that so little has been heard of the Company as it pursued its way. The Directors may at another time refer to the advanced position which this Company has always taken up in liberalising the conditions of the Assurance Contract, which has greatly facilitated all these proceedings, but at present they will confine themselves to the simple duty of reporting progress.'

The INVESTED FUNDS exceed £4,000,000 sterling.

The ANNUAL REVENUE exceeds £700,000 sterling.

The REVENUE ACCOUNT and BALANCE SHEET, prepared in accordance with the 'Life Assurance Companies Act,' 33 and 34 Vict. cap. 61, can be had by application at the Company's Offices.

PROFITS applied for the PERSONAL BENEFIT of the POLICY-HOLDER in LARGELY REDUCING PRESENT OUTLAY;

or in ACCUMULATED BONUSSES, available as Provision for OLD AGE.

IN CLASS A. the PROFITS are allocated in yearly Cash Bonuses applied in payment of the Annual Premiums. The Policy-holder's outlay is thus largely reduced after the sixth payment. Until the time of participation in Bonuses, three-fourths only of the full Premiums need be paid, thus:—

| Age. | £300. | £500. | £1000. |
|------|---------|---------|----------|
| 30 | £5 12 6 | £9 7 6 | £18 15 0 |
| 40 | 7 6 8 | 12 4 5 | 24 8 9 |
| 50 | 10 10 0 | 17 10 0 | 35 0 0 |

IN CLASS B. the PROFITS are allocated every five years in the form of Additions to the Sums Assured. They are not frittered away in the usual comparatively small Bonuses to all the Assured, whether dying early or late, but are reserved for those who do not die before the average period. The Bonuses are thus much larger than usual; and they may be exchanged at the average period of life for a Cash Payment or a Life Annuity to the Policy-holder himself—the Sum Assured remaining intact.

Examples—POLICIES OF £1000.

Assuming that the Bonus Additions will be 4 per cent. per annum.

| Age at Entry. | Average Number of Years attained; that is, the 'Expectation of Life.' | Bonus Additions at that time besides the Sum Assured. | Bonuses may be Exchanged at that time for | |

THE EDINBURGH is one of the oldest of the Scottish Life Assurance Offices. Its resources are ample, and have been tested by the experience of nearly half a century. The conditions of its Policies are unusually liberal, and facilities are afforded for the payment of the Premiums by a variety of methods adapted to the circumstances of the Assured.

BONUS ADDITIONS.

The average Bonus additions on old and young Policies which have become Claims, have for some years exceeded 35 per cent. on the sums assured, while the additions in the case of lives which have attained or exceeded the average duration have frequently been upwards of 100 per cent. on the sums assured.

RATES OF PREMIUM.

The Rates charged by the Company are very moderate. This renders it all the more gratifying that the Bonus additions have been large. In comparing the additions declared by this Company with those declared by higher-rated Offices, the difference in the rates of Premium charged should be taken into account.

NON-FORFEITURE POLICIES are granted by the Company on a Plan which is fully explained in the Prospectus.

| Capital Sums Assured remaining in Force, | £5,500,000 |
| Accumulated Funds, | £1,350,000 |
| Annual Income, | £215,000 |

THE SCOTTISH AMICABLE being a purely *Mutual Office*, its ample Funds have been created entirely by the accumulation of the Premiums of the Policy-holders, to whom the whole Profits belong. The Bonuses have ranged nominally from $1\frac{1}{2}$ to 2 per cent. per annum; but these being compound Bonuses, and not merely additions to the original sums assured, the older Policies bear in reality 3 per cent. per annum, and are nearly doubled in amount—an original policy assuring £1000 being now actually increased to £1,996, 3s. 5d.

The Society's general conditions of Assurance have been from time to time revised, and are now placed on the most equitable and liberal footing. Important resolutions have been adopted, relieving the Policies of many usual restrictions; and the Assured are now entitled, after Five Consecutive Years' Residence within the Home Limits, to Travel and Reside in any part of the World without payment of extra premium.

A DIVISION OF THE PROFITS FROM THE LIFE DEPARTMENT
 OF THIS COMPANY

WILL BE MADE AS AT 13TH MAY 1871.

FOUR INVESTIGATIONS into the Affairs of that Department have already been made. ON EACH OCCASION THE BENEFITS ALLOTTED TO THE PARTICIPATING POLICY-HOLDERS HAVE BEEN INCREASED, and this very satisfactory result has been obtained without raising the rate of Interest assumed in the Valuations, all of which have been made by the Carlisle Table of Mortality, with Interest at the Low Rate of Three per Cent.

The PROFITS are divided every Seven Years, and Five-Sixths thereof belong to the Assured. But as a large proportion of the general expenses of management are borne by the Fire Department, the Policy-holders virtually receive the *whole* of the Profits.

Copies of the last Annual Report, containing the BALANCE SHEET OF AFFAIRS, may be had on application.

- II. **The Rates** of this Society are the same as charged by other Offices, whilst **Two-Fifths of the Profits are returned to the Insured every Three or Five Years.** In proof of the public confidence in the principles and conduct of this Establishment, it will suffice to state that the total business now exceeds **£95,000,000.**

DEPOSITS AND DEBENTURES.

THE ASSOCIATION receives Money on DEPOSIT or DEBENTURE BOND, at Rates varying from 3 to 4½ per cent., according to the market value of money at the time. If preferred, a uniform Rate of Interest will be given on Deposits for fixed periods of from one to five years, on terms to be arranged. The Debenture Bonds will be granted for three, five, or seven years.

SAFETY OF DEPOSITS AND DEBENTURES.

The ASSOCIATION lends its Funds on HERITABLE PROPERTY *only*, and at rates corresponding to the market value of money. All the Loans are repayable by instalments, which adds greatly to their safety, any depreciation which might take place in the value of the security being more than met by the gradual diminution of the Loan. The risk arising from the Investments of the Company is thus small, and they are enabled to give comparatively high rates for Deposits. In addition to the fact that the Loans are all secured on Heritable Property *only*, Depositors have the *further guarantee of the Company's large subscribed Capital.*

LOANS.

Loans are granted on Security of Land, Houses, and every description of Heritable Property.

The Loans are repayable in periods of from four to sixteen years. If desired, *part only* may be made repayable by instalments—the remainder bearing interest, payable half-yearly.

Borrowers can pay off their Loans at any time, either in whole or in part; or the period of repayment can be altered to one more suitable.

THE SCOTTISH PROPERTY INVESTMENT COMPANY was established in 1849. Conducted on liberal, yet safe and economical principles, it rapidly acquired, and has ever since retained, the confidence of the public. It soon became, and still continues to be, the largest and most influential Company of the kind in Scotland. Since its commencement it has made advances for the purchase of property to no less an extent than **£770,000**. The Directors are always prepared and disposed to treat liberally with intending borrowers, and in large transactions they may allow one-third of an advance to lie at interest, while the remaining two-thirds is being redeemed according to the following Table :—

TABLE showing the ANNUAL and MONTHLY REPAYMENTS, including Interest, for a Loan of £100 :—

WM. DICKSON, *Secretary.*

PROPERTY INVESTMENT COMPANY OF SCOTLAND.

THE OPERATIONS OF THIS COMPANY EMBRACE THREE OBJECTS:—

1. Receiving stated Contributions from Unadvanced Shareholders, which are accumulated at Compound Interest.
2. Making Advances to Shareholders to enable them to Purchase, Build, or Redeem Burdens on Dwelling Houses, Offices, Shops, etc.
3. Receiving Deposits from the General Public at a liberal rate of Interest.

1. Accumulation of Savings.

A Share in the Company is constituted by a Fortnightly payment of One Shilling; and a Fortnightly payment of Four Shillings, *i.e.* for Four Shares, accumulating at 5 per cent. compound interest (the ordinary rate of profit), amounts in fourteen years to £100, of which £27, 4s. is interest.

No Fines are imposed for arrears in contribution, and Unadvanced Shares can at any time be withdrawn.

2. Advances for Property.

Advances are made to Shareholders for Purchasing or Building Houses, Shops, or Offices, or to Redeem Burdens on the same. An annual payment of £10, 2s. for 14 years extinguishes both principal and interest for every £100 advanced. Advances can at any time be redeemed.

A small Sum annually, in addition to rent, soon enables a Shareholder to become his own landlord.

3. Deposits.

A liberal Interest is allowed on Deposits. Depositors incur no liability as Shareholders, and their claims for Principal and Interest are preferable debts on the Company. Deposits are repayable as arranged.

Security.

The Company cannot, by Act of Parliament, invest its funds in other than Heritable Securities, and the extent of Advances in every instance is limited to the amount authorized by the Surveyor, which is always short of the market value of the property; and as the Advances immediately become repayable by instalments, the Company incur less risk than ordinary lenders on heritable bonds, to whom interest only is paid without reduction of the principal sum.

THE objects of this Company are: the performance by Steam Power of the operations of Husbandry, of Carriage, and of Traction, and of other steam power operations.

In prosecution of these objects, the Company intends to acquire and let out Steam Engines, Tackling, Implements, and other Apparatus requisite for Ploughing, Grubbing, Harrowing, Rolling, Reaping, Leading, Thrashing, and the other operations of Husbandry, including the heavier Carriages of the Farm.

It is intended also to hire and employ Steam Power for heavy carriages at Mineral Fields, the Driving of Machinery, and other works now generally done by animal power.

The Capital of the Company is to be called up in instalments, according as the necessities of the Company require the money. Power is taken to the Shareholders to increase the capital—such increase to be allotted to the original Shareholders, so far as desired by them.

The Directors have no predilection for any existing system of Steam Cultivation over others, nor will they experiment, but they will avail themselves of every proved improvement. The soils of the country being various, they will endeavour to adopt the system in every district most suitable to its soil. At the outset they seek reliable information from the centres of agriculture, and will thereafter supply to each such steam power and implements as seem suitable and efficient for thoroughly working it, and only to increase the supply as the demand increases. It is contemplated ultimately to have Local Branches, with Manager and Local Board of Shareholders, for regulating all minor details in each district.

The charges for the Company's Power and Work must necessarily depend, to a considerable degree, on the nature of the soil to be cultivated, and of other operations undertaken. But, after due inquiry, a distinct specification of the implements at service and tariff of charges will be prepared and issued for each district where a depot has been established. The Directors feel assured that the tariff of charges can be fixed at a considerably less rate for work done by their engines than by horse power, while the work will be better done.

Prospectuses and Forms of Application for Shares may be obtained at the Bankers, Brokers, Solicitors, and at the Office of the Company; and Copies of the Memorandum and Articles of Association may be inspected, in the hands of

D. CURROR, Secretary,
At the Registered Office, India Buildings, Edinburgh.

REMOVALS CONTRACTED FOR BY ROAD AND RAIL.

RICHARD WHYTOCK & CO.'S Travelling Furniture Waggon's are specially constructed to save expense in Packing and Carriage, to prevent Damage in transit, and to expedite the Removal of Household Furnishings and other valuable articles.

Goods, when carefully placed in these Waggon's, which are expressly adapted for Travelling both by Road and Rail, remain undisturbed until they reach their destination, and are then delivered in the same condition in which they were despatched (by simply unloading), thus obviating the risk, trouble, and expense arising from the use of separate packages and their irregular transmission.

R. W. & Co. would call particular attention to the comparative lightness of construction of their Furniture Waggon's, as effecting a considerable saving in the cost of carriage, which is usually chargeable by weight. One of these Waggon's has been recently built to order, of more moderate dimensions and of less weight, for the conveyance of smaller household effects.

Experienced Packers travel in charge throughout each journey.

HOPE PARK END HOUSE, EDINBURGH,

**R**ESPECTFULLY intimates that he executes every description of Asphaltting, and is ready to furnish Estimates for the same, in Town or Country, on Moderate Terms.

ASPHALT FLOORING is highly recommended for Stables, Byres, Barns, Cattle Sheds, Granaries, Cottars' Houses, and all kinds of Farm Buildings, on account of its being the most effective preventative to the ascent and spread of Damp, its complete exclusion of Vermin, its neat and cleanly appearance, its durability and cheapness in comparison with other descriptions of flooring and pavement, and its healthy and disinfectant properties. While it effects a great saving, by the exclusion of rats and smaller vermin, owing to the close texture of the composition, without seam or joining, it keeps the Grain in a sweet state, from the entire absence of damp or moisture; and wherever the Asphalt Flooring has been used, it has fully realized all the benefits held out by its adoption.

# 'FIELD'S' BOILERS AND TUBES.

THE 'FIELD' BOILER, AND ENGINE ATTACHED.

THE 'Field Boiler,' with Engine attached, is the most economical, both in space occupied and fuel consumed. It is suitable for every description of work.

Please note the points in which the 'Field' boiler is superior to all other boilers.

1. It takes up but a very small space. 2. It uses less fuel than other boilers. 3. It is cheaper than any other boilers doing the same amount of work. 4. There is no leakage from expansion or contraction of the tubes, as in ordinary vertical boilers. 5. No brickwork, setting in firebricks or expensive brick chimneys required. 6. No priming takes place, which is the general complaint against other vertical boilers. 7. There is perfect self-acting circulation, which keeps the tubes clean, and allows all sediment to collect in the water-space round the fire-box. 8. The whole of the heating surface is exposed to a temperature of about 3000 degrees. 9. Every part of the 'Field' boiler is easily come-atable for examination and repairs. 10. The tubes act as fusible plugs in case of shortness of water, and thereby prevent explosion.

THE 'FIELD' PATENT TUBES which have been applied to existing Cornish, egg-ended, and vertical boilers, have effected a saving of fuel of from 20 to 30 per cent.

460 'Field's' boilers and upwards of 'Field's' tubes are now at work.

The improvement, which they invented in 1860, and are carrying out, consists of interweaving horizontally in the web twisted Strands, not exceeding from 9 to 12 inches apart; and the advantages of which have now become so obvious that they require no explanation.

# SURFACE CONDENSERS FOR MARINE AND LAND ENGINES.

THE attention of Shipowners and Engineers is respectfully called to DAVID MARSHALL'S PATENT SYSTEM FOR JOINTING SURFACE CONDENSER TUBES.

The Packing is simple and effective, and thoroughly reliable as to tightness, the circulating water in centre of Packing pressing outer ring to Tube Plate, inner to Tube, thereby making a perfect tight joint, and still allowing for expansion.

This system is the most expeditious for Jointing Tubes. The Tubes can be jointed at the rate of eight per minute. Upwards of four dozen Condensers have been done on this system since its introduction in 1869.

The Condenser has been frequently proved by letting in steam of 45 lbs. pressure INSIDE, and in some cases 60 lbs. It will stand any pressure the other way.

It is in extensive use in the Clyde, Thames, and Tyne districts, and has been applied to Condenser Tubes from  $\frac{5}{8}$  inch diameter up to 2 inches, the latter being the largest Tubed Condenser yet made.

*From WM. SIMONS & Co., Engineers, Founders, and Shipbuilders.*

LONDON WORKS, RENFREW, NEAR GLASGOW,  
11th November 1870.

DEAR SIR,—In reply to your inquiry of 7th instant, we have already fitted three sets of Engines (in use upwards of two years) with your Condenser Tube Packing, and they have given us every satisfaction.

We have now in hands four sets—two of 200, and two of 150 nom: H. P., which are also to be fitted with your Packings.—We are, DEAR SIR, yours truly,

WM. SIMONS & CO.

DAVID MARSHALL, Esq., Leith.

*From SAMUEL AND HUGH MORTON & Co., Iron Shipbuilders, and Boiler and Engine Makers.*

IRON SHIPBUILDING, BOILER, AND ENGINE WORKS,  
VICTORIA DOCK, LEITH, 4th November 1870.

DEAR SIR,—We have much pleasure in stating that we have applied your Patent Packing to the Surface Condensers of the Steamers 'Magdala' and 'Staffa,' of Leith. The former has been at work for twelve months, and has just completed a voyage to China and back, the latter for four months, both of which have given us the greatest satisfaction: in fact, we have had no trouble with them. They have remained perfectly tight, and maintained a uniform, steady, and high vacuum.

We are at present fitting other three Condensers with your Packing, and we have every confidence in recommending them for general use.—We are, DEAR SIR, yours truly,

ILLUSTRIOUS WAYFARER,

Do you rejoice in the possession of an athletic Umbrella? Inasmuch as it is a provident investment, this is an important question. Or has the destroying hand of Time and usage reduced it to a condition of inutility and abandonment?—Is it dilapidated? Is it prostrate with a fractured rib, a dislocated neck, or a broken spine? Has any unexpounded calamity tended to debilitate its nerves, or paralyse its muscularia? Is it afflicted with a damaged crenated attachment, or a ruptured vericle convergentum? Has any visitation or paralysis arrested or destroyed the facile action of the motive power? Does there exist any manifestation of an abrasion, or inaccurate tension of the epidermis? Is the tippeous extension of the epidermis unimpaired in its attachment? Is the pedaneous extremity intact; or has prolonged attrition against terraceous substances reduced it to a state of stumpiferous deformity? Is the digitalial appendage without flaw or fracture? Is the ocluse and expansive action uninterrupted? Is the octa-hegenous osseonsity insometrically angulated? Is its centrifugal rotundity deformed by depression, semicollapse, or protrusion? Is its polyhedral conformation correct? and its circumambient proportions adequate for personal conservation? Is it loaned, lost, levanted, misappropriated, or used up? Are its mineralogical, vegetable, and animal elements, still in combination? Or is it "ALL OVER WITH IT?"

Impassioned reader! if you are mentally embarrassed in the labyrinth of these inquiries; if your technical knowledge fails to recognise their logical applicability; suffice it, that for any contingency, ample provision is made at the far-famed

## SHORT STATEMENT OF PRINCIPLES.

THE SCOTTISH PROVIDENT INSTITUTION is the only Office which combines the advantages of MUTUAL ASSURANCE with MODERATE PREMIUMS.

Instead of charging rates admittedly higher than are necessary, and afterwards returning the excess, or a portion of it, in the shape of periodical Bonuses, it gives from the first as large an assurance as the Premiums will with safety bear—reserving the Whole Surplus for those Members who have lived long enough to secure the common Fund from loss on account of their individual Assurances.

A Policy for £1200 to £1250 may thus at most ages be had for the Premium elsewhere charged to assure £1000 only; while the effect of *reserving* the Surplus has been, that Policies originally for £1000, which have shared at three Septennial Investigations, have already been increased to £1400, £1600, and even to £1800.

ITS TERMS are thus well calculated to meet the requirements of intending Assurers. They are specially adapted to the case of Provisions under Family Settlements or otherwise, where it is of importance to secure, for the smallest present outlay, a competent provision, of definite amount, in the case of early death.

## BUSINESS IN 1870.

THE DIRECTORS' REPORT showed that, notwithstanding the marked falling off in the amount of Assurances last year in offices generally, the business of this Society maintained its usual steady and progressive advance. The New Assurances accepted and carried out were 1163, for £612,025, 8s. The Yearly Premiums were £19,481, 0s. 2d.; Premiums by single payment, £1283, 7s. 6d., with the further sum of £5521, 5s. 1d. for 16 Annuities. Proposals for £101,176 were declined. The Claims, by 177 deaths, amount to £111,057, 11s. 6d.,—considerably being within the estimates.

There had been issued in all 21,132 Policies, assuring £9,857,508, 11s., of which 15,206, for £7,188,565, 15s., with £192,475, 1s. 3d. of Premiums, remain in force. The total Receipts in the year, including interest, were £275,030, 19s. 4d. The Realized Fund, increased in the year by £129,001, 15s. 10d., amounted on 31st December to £1,765,251, 0s. 10s.—of which the details are given in the Report.

### Examples of Annual Premium for Assurance of £100 at Death (with Profits).

| AGE, . . . .            | 25      | 30      | 35      | 40      | 45      | 50      |
|-------------------------|---------|---------|---------|---------|---------|---------|
| Payable during Life,    | £1 18 0 | £2 1 6  | £2 6 10 | £2 14 9 | £3 5 9  | £4 1 7  |
| Limited to 21 Payments, | £2 12 6 | £2 15 4 | £3 0 2  | £3 7 5  | £3 17 6 | £4 12 1 |

The Rates for other Ages, or for other periods, may be had on application.

**\*\* EXAMPLE.**—A person aged 30 may secure £1000 at death, by a yearly payment, *during life*, of £20, 15s. This Premium, if paid to any other of the Scottish Mutual Offices, would secure a Policy for £800 only, instead of £1000. Or, if unwilling to burden himself with payments during his whole life, he may secure the same sum of £1000 by *twenty-one* yearly payments of £27, 13s. 4d. At age 40 the Premium, *ceasing at age 60*, is, for £1000, £33, 14s. 2d., being about the same as these Offices require during the whole term of life.

Reports, with Statement of Principles, and every information, will be furnished on application.

3. **Stability** afforded by the extent of its Business and the magnitude of its Accumulated Fund.
4. **Liberal Surrender Values.**

---

**New Policies issued in 1870 for £965,727,**

A sum greater than that effected in the previous year by **£233,350.**

This result is the more significant, inasmuch as the Public have lately been furnished with new information regarding the condition and prospects of Assurance Offices generally.

**Since 1815**

AND THE  
**BONUSES DECLARED** exceed **FOUR MILLIONS.**

---

The Directors suggest that parties desirous to obtain Life Policies that will afford the largest advantage to the Holders should, in Selecting an Office consider the above facts, and specially observe how very strikingly Perfect Security and Large Profits are combined in the Society's System.
